MOTION for appointment of Counsel

Now comes the Plaintiff to move this Honorable court to seriously take the Plaintiff seriously, when he says he needs appointment of counsel. Not only is the Plaintiff indigent for lack of funds Plaintiff only has 10th grade education and cannot properly understand the language of law, which sets the Plaintiff at an unfair disadvantage even a handicap to properly prepare case for trial. Plaintiff has very limited access to legal library. Plaintiff does not fully understand or have the ability to read the federal Rules of Procedure. Can the honorable court, Please appoint counsel for the Plaintiff to have an fair trial.

Humbly Submitted
